Highly motivated and curious Data Science student with a strong foundation in programming, data analysis, and web development. I am passionate about using data to solve real-world problems and contribute to positive change. Currently I actively collaborate in research and build impactful projects. I am also a lifelong learner, constantly seeking new opportunities to expand my knowledge and skillset, particularly in emerging areas of data science and technology.

Education

2023– PRESENT

Master of Science (M.Sc) in Data Science
Christ (Deemed to be) University, Pune Lavasa Campus
Expected Graduation: 2025 | Trimester 1 GPA 3.9/4

2020 – 2023
Bachelor of Science (B.Sc) in Mathematics
Madras Christian College, Chennai (University of Madras)
GPA 8.9/10
